# ACCESSING CARE

## FIND HEALTHCARE PROFESSIONALS OUTSIDE THE U.S. AND SCHEDULE APPOINTMENTS

### Find a Provider

By using your Bupa Global ID card, you have access to one of the largest direct settlement networks outside the U.S.\* Simply present your Bupa Global ID card at the point of treatment.

To find a nearby doctor or facility, visit the **“Find Doctors and Hospitals Outside the U.S.”** section of the Member Hub on [www.geo-blue.com](http://www.geo-blue.com) or select **“Provider Finder”** in the app.

Outside of the U.S., you are free to see any physician you choose without a reduction of benefits. If you see a provider outside of the preferred provider\*\* network, you may have to pay out of pocket for treatment and submit a claim for reimbursement.

### Schedule an Appointment

To schedule an appointment, choose a provider or hospital through the Member Hub or mobile app. Contact them directly using the information in their profile. Most eligible treatment is settled directly with the physician or facility behind the scenes. Preferred providers have tools at the point of service to confirm your eligibility and benefits and facilitate direct payment. Direct settlement for outpatient (office-based) services is always at the option of the preferred provider.

### Global TeleMD

**We know how important it is to get the healthcare you need, when you need it.**

In addition to the worldwide network of healthcare professionals available through your health plan, we've teamed up with Teladoc Health to bring you Global TeleMD, a new smartphone app at no additional cost, that provides unlimited, 24/7/365 access to doctor consultations by telephone or video. Doctors are available worldwide. Prescriptions may also be provided, as appropriate (subject to local regulations).

\*You are required to pay any applicable copayments, coinsurance or deductibles at the time of service.

\*\*Hospitals/facilities with this designation have agreed to accept direct settlement for inpatient services and may at their discretion accept direct settlement for outpatient services. Physicians and other non-facility providers will accept direct settlement in most instances for their services.

## Medical Emergency?

**In the event of a medical emergency** you should go to the nearest physician or hospital immediately and present your ID card. **We're available 24/7/365** if you have any questions about your benefits or need assistance.

# ACCESSING CARE

## PRESCRIPTION MEDICATIONS, ASSISTANCE AND OTHER SERVICES OUTSIDE THE U.S.

### Dental and Vision Services\*

You are free to see any dental or vision care provider you choose. Check with your provider's office to see if they are willing to bill us directly. If so, they should send the claim form and invoice to:

**GeoBlue, Attn: Claims Department, P.O. Box 1748, Southeastern, PA 19399-1748, USA.**  
**Email: [claims@geo-blue.com](mailto:claims@geo-blue.com)**

Use the international mail order program to fill your prescription medication(s), or pay for your prescription up front at a pharmacy and submit a claim for reimbursement. Not all members have access to all prescription drug services. Review your Certificate of Coverage for detailed benefit information. To learn more and download the appropriate forms, visit "**Prescription Benefits**" in the "**Coverage & Benefits**" section of the Member Hub at [www.geo-blue.com](http://www.geo-blue.com).

# ACCESSING CARE

## FIND HEALTHCARE PROFESSIONALS WITHIN THE U.S. AND SCHEDULE APPOINTMENTS

### Accessing Care

You have access to the leading Blue Cross Blue Shield network within the U.S., Puerto Rico and U.S. Virgin Islands. To find a doctor or facility, visit the **“Find Doctors and Hospitals Inside the U.S.”** section in the Member Hub on [www.geo-blue.com](http://www.geo-blue.com) or select **“Provider Finder”** in the mobile app.

**For assistance contact us 24/7/365 via the telephone number on the back of your ID card.**

### Scheduling an Appointment with a Blue Cross Blue Shield Provider

Call the provider to confirm they are in network and schedule your appointment. You will need to show the provider your ID card at the time of service.

### Receiving Medical Services from an Out-of-Network Provider

This typically results in a higher coinsurance and may result in additional costs to you. If you receive care from an out-of-network provider, you may need to pay out of pocket and submit a claim for reimbursement. Click **“How to File Claims”** in the Member Hub on [www.geo-blue.com](http://www.geo-blue.com) to download the appropriate claim form.

Submit claims electronically using the mobile app or the **“File an eClaim”** link on the Member Hub.

### Pre-Authorization

Pre-authorization is the process of determining in advance whether a procedure, treatment or service will be covered under your healthcare plan. It also helps ensure you get the right care in the right setting – potentially saving you from costly and unnecessary services.

For example, innovations in healthcare enable doctors to provide services that were once provided exclusively in an inpatient setting, in many different settings, such as an outpatient department of a hospital or a doctor’s office.

### WHO IS RESPONSIBLE FOR GETTING THE PRE-AUTHORIZATION?

In most cases, when you seek treatment from an in-network provider, they will initiate the pre-authorization process. If you see an out-of-network provider, you are responsible for initiating the pre-authorization process. For more information regarding pre-authorization, please see the Certification Requirements and Pre-Authorization section in your Certificate of Coverage.

**To request pre-authorization, please contact us at 1-800-952-3404.**

**24/7/365 multilingual support when you want it, help when you need it**

# CLAIM SUBMISSION

## HOW TO CLAIM

Whether you choose a preferred provider that we pay directly or pay up front for services and submit a claim for reimbursement, the claim process is quick and easy. Direct settlement is easier for us to arrange if you confirm your treatment with us first, or if you use a preferred hospital or healthcare professional.

### Direct Settlement

Direct settlement is where we pay the provider directly, making things easier for you.

OR

### Pay and Claim

You pay up front for services and then submit a claim to us for reimbursement.

1

You should present your ID card when you receive treatment.

After you visit your treating provider, be sure to fill out a claim form in its entirety. A claim form can be found on the Member Hub.

2

We send the treating provider a verification statement.  
We will also send a copy to you upon request.

Once you have received medical services and paid the treating provider, you should complete all sections of the claim form, include the original bills and receipts and send the claim to us.

3

The treating provider will ask you to review or complete paperwork, as appropriate. If you have coinsurance or a remaining deductible\* on any benefit, you will need to pay this directly to the treating provider. The treating provider will then send your claim to us.

You can submit your claim online via the Member Hub or mobile app, or mail/fax it to us.

4

We pay the treating provider directly.

We reimburse you. If you have an annual deductible or a coinsurance applied to your claim we will reimburse you the cost of the claim minus the percentage of the coinsurance or the amount of the remaining annual deductible.

5

We will send you an EOB\*.  
When we settle your claim, your benefits are paid in line with the limits shown in your Certificate of Coverage.

\*Please see definitions on page 7.

**IF YOU NEED ASSISTANCE WITH A CLAIM,  
WE'RE AVAILABLE TO HELP 24/7/365.**
