

# Earn Apple Watch Ordering Guide

Earn points for Standard or Advanced Workouts to reduce your monthly payment to nothing! Should you fail to earn enough points for Standard and Advanced Workouts, a maximum monthly payment of \$14 will be due.

## GET APPLE WATCH.

### Get the Apple Watch that moves you.

Purchase Apple Watch Series 10 (GPS) 41mm or Apple Watch SE (GPS) 42mm on the Vitality website at a substantially reduced price for getting more active.

### Case finishes, bands and size.

As Apple predetermines collections, it's possible that the color and band combination you want may not be available. Also consider whether you would prefer a larger watch (46mm) for Series 10 or (44mm) for SE.

## WHICH APPLE STYLE IS YOURS?

Here's a quick reference on the different options and information on how upgrade costs may apply.

	ACTIVATION FEE	UPGRADE COST	CELLULAR
<b>APPLE WATCH</b> SERIES 10	GPS 42mm <b>\$63</b> + TAX	46mm <b>+\$30</b>	<b>42mm GPS + Cellular</b> an upgrade cost of \$100 applies  <b>46mm GPS + Cellular</b> an upgrade cost of \$130 applies

## WHEN TO EXPECT YOUR WATCH

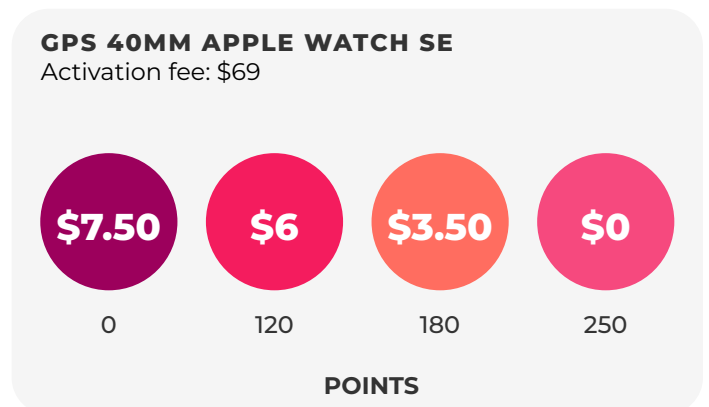

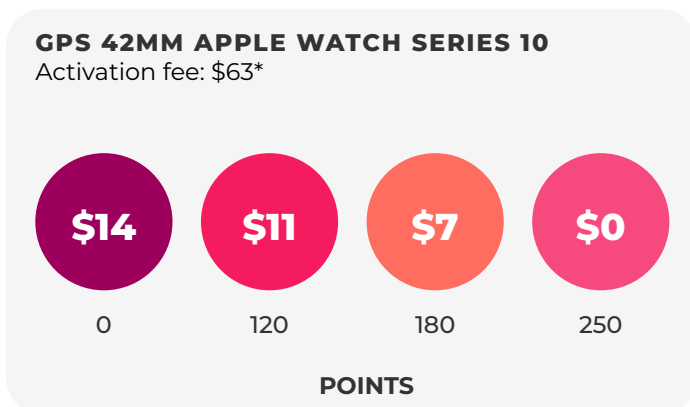

Delivery times vary based on the availability of the order you place.

After you receive your watch and you meet monthly workout targets from Vitality, you can lower the price you pay for your watch for each of the 24 months of the two-year payment period.

## GET ACTIVE. GET REWARDED.

### Monthly payment amounts based on Vitality Points earned

The more points you earn for Standard or Advanced Workouts each calendar month, the less you pay.

\*You may also order Apple Watch Ultra 2 for an additional upgrade fee at point of purchase with the same monthly payment structure as Apple Watch Series 10.
