## Legal Disclaimer

This document is a brief outline of benefits provided by the Concordia Health Plan option referenced above. While every effort has been made to provide accurate information, please refer to the CHP official plan document and the appropriate CHP Schedule for more detailed information.

<sup>\*\*</sup> When a patient or physician requests a brand drug but an equivalent generic is available, the patient pays the brand cost share plus the cost difference between the brand and generic drugs up to the cost of the brand drug. The cost difference will not be applied to the deductible/out-of-pocket maximum.
