Important Questions	Answers		Why This Matters:	
What is the overall <u>deductible</u>?	Per participant:	Network \$600	Non-Network \$1,800	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. This plan has an embedded deductible. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
	Per family:	\$1,200	\$3,600	
Are there services covered before you meet your <u>deductible</u>?	Yes. <u>Network preventive care</u> and services with a <u>copayment</u> .		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .	
Are there other <u>deductibles</u> for specific services?	No.		You don't have to meet <u>deductibles</u> for specific services.	
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	Per participant:	Network \$3,000	Non-Network \$9,000	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	Per family:	\$6,000	\$18,000	
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billed charges</u> , health care this <u>Plan</u> doesn't cover, charges in excess of benefit maximums, charges in excess of maximum <u>allowed amounts</u> , penalties, non-medically necessary services, and certain specialty pharmacy drugs considered non-essential health benefits.		Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .	

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See ConcordiaPlans.quantum-health.com or call 1-833-740-3260 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
