The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit https://concordiaPlans.Quantum-Health.com or call 1-833-740-3260. For definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 1-800-877-1122 to request a copy.				
Important Questions	Answers	Why This Matters:		
What is the overall <u>deductible</u> ?	\$4,500 individual/\$9,000 family network \$13,500 individual/\$27,000 family non-network (medical and mental health combined)	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> each family member must meet their own individual <u>deductible</u> (embedded) until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .		
Are there services covered before you meet your <u>deductible</u> ?	Yes. Preventive care is not subject to <u>deductible.</u>	This <u>plan</u> covers some items and services even if you have not yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .		
Are there other <u>deductibles</u> for specific services?	No	You do not have to meet <u>deductibles</u> for specific services.		
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$9,000 individual/\$18,000 family network \$27,000 individual/\$54,000 family non-network (medical, mental health and pharmacy combined)	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> (embedded) until the overall family <u>out-of-pocket limits</u> has been met.		
What is not included in the <u>out-of-pocket limit</u> ?	DAW penalties (difference in cost between generic and brand if generic alternative is available), <u>specialty drug copayment</u> assistance programs, <u>premiums</u> , <u>balance billing</u> charges (unless <u>balanced billing</u> is prohibited), and health care this <u>plan</u> does not cover.	Even though you pay these expenses, they do not count toward the <u>out-of-pocket</u> limit.		
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>https://ConcordiaPlans.Quantum-</u> <u>Health.com</u> or call 1-833-740-3260 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.		

Do you need a <u>referral</u> to No see a <u>specialist</u> ?	You can see the specialist you choose without a referral.
